### Description

Join the vibrant world of Depop, where fashion meets sustainability and community-driven commerce. As an intern at Depop, you'll be at the forefront of the e-commerce industry, engaging with a platform that champions creativity and environmental consciousness. This internship provides a unique opportunity to gain hands-on experience, contribute to exciting projects, and develop your career in digital marketing and e-commerce.

### Responsibilities

- Assist in developing and executing marketing campaigns across digital platforms.
- Collaborate with the creative team to generate innovative ideas for community engagement.
- Support the analysis of market trends and consumer behavior to optimize marketing strategies.
- Contribute to social media planning and content creation to build brand presence.
- Provide administrative support to ensure efficient operations within the marketing department.

### Qualifications

- Currently studying or recently graduated in marketing, communications, business, or a related field.
- Strong interest in fashion, sustainability, and digital commerce.
- Excellent communication skills, both written and verbal.
- Ability to work collaboratively and think creatively.
- Detail-oriented with solid organizational capabilities.

### Job Benefits

- Gain valuable experience with a leading e-commerce platform known for its innovative approach.
- Networking opportunities with industry experts and creative professionals.
- Insight into sustainable fashion and community-driven business models.
- Flexible working hours to accommodate academic schedules.
- An inspiring and collaborative work environment.

### Experience

- Previous experience in marketing, e-commerce, or fashion is a plus but not essential.
- Familiarity with social media platforms and digital marketing tools is advantageous.
- A portfolio showcasing any relevant work or projects is encouraged.

### Skills

- Creative thinking and a strong sense of current fashion trends.
- Proficiency in digital marketing tools and analytics.
- Strong research and problem-solving skills.
- Adaptability and eagerness to learn in a fast-paced industry.
